

Release Notes

Android™ 11 Build OS R-1.0.0-20240314

For Mesa® 3 Rugged Tablets Running the Android Operating System

These notes include important information for our Mesa 3 customers regarding the most recent release of the Android operating system.

Documentation and software updates are located on the Juniper Systems® website: <https://www.junipersys.com/support>.

Updates

- Added security patches to February 2024.
- Updated Barcode Connector.
 - Add ability to update the Barcode Connector firmware.
 - Fixed an issue that caused the Barcode Connector scan button to not work.
 - Updated the message that appears when Barcode Connector is starting to “Initializing... Please wait.”

Note: This is the last Android 11 OS release for Mesa 3 Android.
