

Limited Promotion: Mesa 2 and Allegro 2/3 Accessories

Ends November 30th, 2019

Designed to increase workflow efficiency, the following accessories are available at a discounted rate to allow more users to experience their value. Get more out of Juniper's rugged handhelds and tablets with accessories from Juniper Systems!

M2 Keyboard – ~~\$399~~

34% drop from \$600

Part no. 27800

The M2 Keyboard features a full alphanumeric keypad with textured buttons that provide the right amount of tactile feedback, giving users a powerful solution for intensive data entry. Designed for on-the-fly installation, the keyboard quickly snaps onto the Mesa 2 Rugged Tablet — no tools needed.

M2 Dock – ~~\$350~~

20% drop from \$435

Part no. 26362

The M2 Dock makes it easy to charge the Mesa 2 Rugged Tablet, connect to an Ethernet network, and even use the tablet with an external monitor, keyboard, and mouse, just like a desktop.

M2 Non-powered Locking Vehicle Dock – ~~\$125~~

34% drop from \$189

Part no. 25415

The M2 Non-powered Locking Vehicle Dock allows users to securely mount the Mesa 2 Rugged Tablet in the vehicle, while remaining easily detachable. The dock is compatible with ProClip, Ram Mount, and other 4-hole AMPS pattern accessories.

M2 Adjustable Shoulder Strap – \$20

40% drop from \$35

Part no. 25378

The M2 Adjustable Shoulder Strap provides a quick and comfortable hands-free transportation option for the Mesa 2 Rugged Tablet. The strap attaches to any corner attachment loop on the Mesa 2 for easy attachment/detachment from device.

A2 Ethernet Multi-dock for Allegro 2/3 – \$660

40% drop from \$1,099

Part no. 24198

This 4-bay charging and communications desktop dock provides a central location for docking multiple Allegro 2/3 Rugged Handhelds at once. Includes ports for 12V power, USB Client, and 10/100-BaseT RJ-45 Ethernet.
